GIFT OF THE LAND

## 2021 SINGLE VINEYARD RESERVE ANDERSON VALLEY PINOT NOIR ANGEL CAMP

### INTRODUCTION

The Angel Camp Pinot Noir represents our top barrel blend from this impressive hillside vineyard in Anderson Valley. With seven different Pinot Noir clones planted, this vineyard provides plenty of variety to work with, presenting a unique blending challenge. Each year, the various blocks react to the growing season a little bit differently, and the blend varies accordingly. When we decided to work with Anderson Valley fruit, our goal was to create a wine that stays true to the terroir of the region but also expresses the Donum style of Pinot Noir. This elegant, expressive and balanced Pinot Noir is exactly what we had in mind.

### WINEMAKER NOTES

The 2021 Angel Camp is vibrant ruby in the glass, with aromas of raspberry, lingonberry, violets, coriander and spearmint. The palate is brimming with juicy red fruit, joined by sandalwood and wild blueberries on the finish. Vibrant acidity and fine tannin provide structure for a long, focused finish. Drink from 2023 to 2032.
