GIFT OF THE LAND

## 2021 SINGLE VINEYARD RESERVE CARNEROS CHARDONNAY THE HERON

### INTRODUCTION

The Heron marks a new step in the evolution of Donum Chardonnay: a wine selected based on the vinification technique. The base wine for The Heron comes from the same pressing as our Estate Chardonnay, but from there two paths diverge. While the Estate Chardonnay goes to barrel, half of the juice for The Heron is instead transferred to a concrete amphora, where it is fermented and aged for 12 months. The wine is then transferred to stainless steel barrels to complete the aging process.

### WINEMAKER NOTES

The 2021 Heron Chardonnay is pale straw in color with delicate aromas of lemon, golden delicious apple, key lime and flower blossom. Its linear and focused palate displays notes of guava, passionfruit and lemon with a subtle hint of honey, offering precision and beautiful persistence. Drink from 2023-2030.
