## ANNE MOLLER RACKE ...LEADING CARNEROS TO NEW HEIGHTS

Few vintners in Carneros are more capable at growing Pinot Noir than Anne Moller-Racke, who has farmed wine grapes in the region for nearly 30 years. "You can't separate the vineyard from the winemaking—and Pinot Noir is so site-specific. I try to find the potential or "voice" of each of the vineyards."

*Donum wines are routinely outstanding, typically among the highest-scoring Pinot Noirs from the Carneros region.*
