## 2021 SINGLE BLOCK RESERVE CARNEROS PINOT NOIR MIKADO TREE

### INTRODUCTION

The Mikado Tree Pinot Noir comes from a small block of Swan clone Pinot Noir from the front section of our Estate vineyard. This low-yielding clone makes for a concentrated, intense wine with beautiful balance. Mikado Tree, by Pascale Marthine Tayou, was inspired by the children's game pick-up sticks, and the wine, which comes from a block of younger vines, captures this youthful energy.

### WINEMAKER NOTES

The 2021 Mikado Tree is light-medium-ruby in color, with dried raspberry, cherry, slate and black licorice aromas. The palate is darker, with blackberry, cherry and a hint of tobacco. Long, round tannin yields a coffee-like texture to the finish, with lingering herbal and dried fruit flavors. Drink from 2023-2030.
