2022 SINGLE VINEYARD RESERVE CARNEROS CHARDONNAY

INTRODUCTION

In exceptional vintages, we select a small portion of our Carneros Chardonnay to bottle separately under our reserve label. For us, the reserve moniker does not imply a bigger, bolder wine but indicates barrels that offer a unique expression of our vineyard, worthy of being showcased separately. The 2022 vintage highlights the heritage Chardonnay clones planted at our Estate.

WINEMAKER NOTES

The Reserve Chardonnay is light gold in color, with aromas of baked apple, lemon curd and mulling spices. The palate opens with rich apple, lemon and mango, and then becomes more linear on the mid-palate, featuring mango, kiwi and a hint of sea salt. The finish is richer, with a soft texture and lingering spice. Recommended drinking window: 2024-2030.
