## 2022 SINGLE BLOCK RESERVE CARNEROS PINOT NOIR MIKADO TREE

### INTRODUCTION

The Mikado Tree Pinot Noir comes from a small block of Swan clone Pinot Noir planted in front of our Estate. This low-yielding clone produces a concentrated, intense wine with beautiful balance. *Mikado Tree*, by Pascale Marthine Tayou, was inspired by the children's game pick-up sticks, and the wine, which comes from a block of younger vines, captures this youthful energy.

### WINEMAKER NOTES

Ruby in color with a lovely clarity, the 2022 Mikado Tree boasts aromas of Bing cherry, vanilla and a hint of spice. On the palate, juicy red berry and cherry give way to tobacco and spice, with a sappy texture brought into focus on the finish, thanks to its generous acidity and tannin. Recommended drinking window: 2025-2032.
