

DONUM

GIFT OF THE LAND

2022 SINGLE VINEYARD CARNEROS PINOT NOIR TFV

INTRODUCTION

Thomas Vineyard was originally planted in 1974 and acquired by Donum in 2016, though we had worked with fruit from this vineyard since our first vintage in 2001. In need of a full replant when we acquired it, the vineyard started producing fruit again in 2021. This wine is a blend from across Thomas Ferguson Vineyard (TFV) and demonstrates the importance of terroir, as it presents a different flavor profile than our Carneros Pinot Noirs, despite being sourced just a mile away.

WINEMAKER NOTES

Medium-dark ruby in color, this Pinot Noir offers aromas of blackberry, sapling, charcoal and cocoa. The palate reveals juicy berry, cherry and apricot, accented by a hint of cinnamon. The finish is focused, with a pleasant grip and persistent notes of fresh fruit. Recommended drinking window: 2025-2033.
