2022 SINGLE VINEYARD RESERVE CARNEROS PINOT NOIR THOMAS

INTRODUCTION

Thomas Vineyard was originally planted in 1974 and acquired by Donum in 2016, though we had worked with fruit from this vineyard since our first vintage in 2001. In need of a full replant when we acquired it, the vineyard started producing fruit again in 2021, allowing us to re-release our Thomas Pinot Noir; our first vintage was released in 2008 to celebrate Thomas Ferguson's 100th birthday. This wine represents the top Pinot Noir barrels from this vineyard and demonstrates the importance of terroir, as it offers a different flavor profile from our Carneros Pinot Noirs, despite being sourced just a mile away.

WINEMAKER NOTES

The 2022 Thomas Pinot Noir is bright ruby in color, with raspberry aromas streaming from the glass. The palate reveals tropical notes, with juicy blueberry. Subtle hints of butter and salt expand through the mid-palate, with dark fruit lingering on the finish. Recommended drinking window: 2025-2032.
