The Donum Estate, Carneros

24500 Ramal Rd., Sonoma, 707-939-2290

Tucked in the hills of Carneros, the Donum Estate is as committed to the artworks on its 200-acre grounds as it is to its (excellent) estate pinot. Donum owner Allan Warburg has amassed one of the best outdoor art collections in wine country: Bold, thought-provoking, and at times political, 30 sculptures by masters like Ai Weiwei, Keith Haring, and Richard Hudson are strewn throughout the property near San Pablo Bay. To see them, book a wine tasting (by appointment only) and then stroll the grounds on a self-guided walking tour. *Runner-up:* Hall Wines, St. Helena
