Donum Estate Revels in a Week of Premier Hong Kong Events

Award-winning Pinot Noir and Chardonnay producer from Sonoma hosted a sell-out week of wine dinners and tastings testifying the strong demand for Donum's exceptional wines.

SONOMA, California (5 June, 2023) [The Donum Estate](#), a leader in single-vineyard, single-appellation Pinot Noir and Chardonnay; home to a monumental sculpture collection at its Estate in the acclaimed wine region of Sonoma County in Northern California, proudly increased allocated Estate and new Reserve wines while hosting a week of exclusive events.

We were truly delighted to present and host these tastings and dinners, and the exceptional response we received from attendees was nothing short of heart-warming, said Mei and Allan Warburg, Owners of Donum. Through discussions about the Donum Collection and our recent acquisitions, we have found the genuine appreciation connoisseurs hold for the harmonious relationship between wine and art. Hong Kong is home to an extraordinary community of art and wine aficionados, and it has been a gratifying experience to seamlessly blend these two passions together.

Donum's Pinot Noir and Chardonnay portfolio reflects the energy and complexity of some of the most celebrated California wine regions. In the past year, Donum was named a Top 5 Pinot Noir by Wine Spectator and also achieved the highest level of organic certification for its ability to work with nature, not against it, as one of the first wineries in Sonoma County, California to achieve Regenerative Organic Certified® status for all of its Estate vineyards. Donum is also certified organic from the California Certified Organic Farming Association (CCOF).

Reflecting on the success of our tastings, we were truly impressed by the calibre of connoisseurs and oenophiles present at the events. The passion and knowledge displayed by these individuals was remarkable and Hong Kong has left an indelible mark on our hearts, remarked Angelica de Vere Mabray, Donum Chief Executive Officer. Dan Fishman, Donum Winemaker also shared: We eagerly anticipate our return, and will carry the memories, connections, and valuable insights gained from this experience back to Sonoma, where our experiences will further inform and inspire what we do at Donum.

Throughout the week, which included four dinners and a series of tastings, prominent figures from the worlds of arts and business convened to savour and appreciate Donum's offerings.
