GIFT OF THE LAND

SINGLE VINEYARD

ANGEL CAMP PINOT NOIR

INTRODUCTION

The Angel Camp Vineyard Pinot Noir represents our top barrel blend from this impressive hillside vineyard. With seven different clones planted, the vineyard provides plenty of variety to work with, presenting a unique blending challenge. Each year the various blocks react to the growing season a little bit differently, and the blend varies accordingly. When we decided to work with Anderson Valley fruit, our goal was to create a wine that stays true to the terroir of the region but also expresses the Donum style of Pinot Noir. This elegant, expressive, and balanced Pinot Noir is exactly what we had in mind.

WINEMAKER NOTES

Light ruby in color, with a nose of cherry syrup, blueberry, and cigar box, the 2017 Angel Camp is remarkably concentrated. Juicy raspberry, nectarine, and floral flavors make for a dense, almost sappy midpalate, with an intriguing maple highlight. Structure is provided by fine-grained tannin and beautiful natural acidity, which are hallmarks of the Angel Camp vineyard.

FRUIT

Dijon 667, Pommard, Calera and Donum clone
Dijon 828, 777, 115, David Bruce, Wadenswil,
and Swan clones from the Angel Camp vineyard

HARVEST DATE

September 26 - October 5, 2017
