

## Try These Unusual Delivery And Takeout Options

When you are tired of cooking and want to order in, resist the urge to call your standby spot. Restaurants all over the world are reimagining their takeout and delivery offerings and creating everything from a gourmet Netflix-binging kit to a Five-Star home meal. Take this opportunity to try something out of the ordinary and utterly delicious.

[Forbes Travel Guide](#) rounded up some of its favorite new culinary options, including a pop-up drive-in in Utah and a fine-dining Hong Kong restaurant popping up in your kitchen:

### Buy Wine, Get A Sonoma Stay Free

You likely don't need more of an incentive to drink wine, but [MacArthur Place Hotel & Spa](#) makes an irresistible proposition: [order a case](#) directly from its vineyard partners and you'll receive a complimentary night at the Sonoma hotel. Since MacArthur Place supports local boutique wineries like [Donum Estate](#) with this special offer, the hope is that the 12 bottles will give you a taste for a future wine-tasting trip with a stay at the modern-farmhouse-chic hotel.
